

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs taken 1965. Field checks 1967
Polyconic projection. 1927 North American Datum 10,000-foot grid based on Montana coordinate system, central zone
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue
Fine red dashed lines indicate selected fence lines
To place on the predicted North American Datum 1983 move the projection lines 4 meters north and 42 meters east as shown by dashed corner ticks

Revisions shown in purple and woodland compiled from aerial photographs taken 1980 and other source data. This information not field checked. Map edited 1983
