Topography by photogrammetric methods from aerial photographs taken 1961. Field checked 1962
Polyconic projection. 1927 North American datum. 10,000-foot grid based on Montana coordinate system, south and central zones. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.
Fine red dashed lines indicate selected fence lines.
To place on the predicted North American Datum 1983 move the projection lines 6 meters north and 51 meters east as shown by dashed corner ticks.
Revisions shown in purple compiled from aerial photographs taken 1978. Map edited 1980. This information not field checked.
