Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1963

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Montana coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue.

Where omitted, land lines have not been established.

To place on the predicted North American Datum 1983, move the projection lines 12 meters north and 72 meters east as shown by dashed corner ticks.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.
