

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin.

Control by USGS and USC&GS

Topography from aerial photographs by Kesh plotter. Aerial photographs taken 1946-1953. Field check 1955.

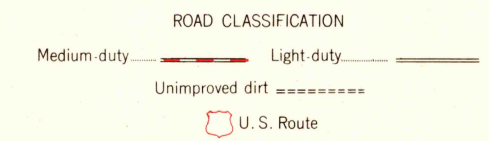

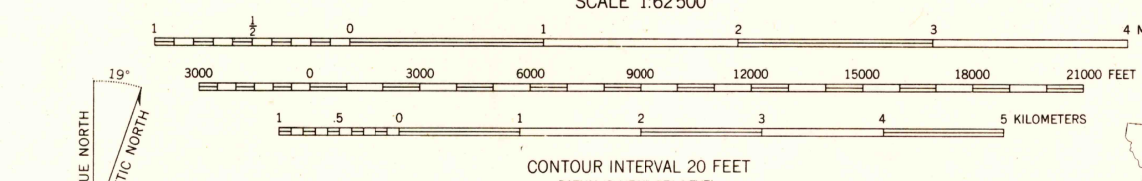

Polycyclic projection. 1927 North American datum. 10,000-foot grid based on Montana coordinate system, central zone.

Red tint indicates areas in which only landmark buildings are shown.

Dashed land lines indicate approximate locations. Land lines omitted in T. 17, 18, 19, and 20 N. R. 6 E. because of insufficient data.

All recovered corners are shown.

Unchecked elevations are shown in brown.

STOCKETT, MONT.
