

Produced by the United States Geological Survey
Topography compiled 1967. Planimetry derived from imagery taken 1982 and other sources. Photoinspected using imagery dated 1997; no major culture or drainage changes observed. Survey control current as of 1968. Boundaries, other than corporate, verified 2000
North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: North Carolina coordinate system (Lambert conformal conic)
10 000-foot ticks: North Carolina coordinate system and Virginia coordinate system, south zone
1000-meter Universal Transverse Mercator grid, zone 17
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software
Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours
