

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USC&GS. Topography by photogrammetric methods from aerial photographs taken 1966. Field checked 1967. Polyconic projection. 1927 North American datum. 10,000-foot grids based on North Dakota coordinate system, north and south zones. 1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue. Areas covered by dashed light-blue pattern are subject to controlled inundation. Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.
