

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USC&GS. Culture and drainage in part compiled from aerial photographs taken 1944. Topography by plane-table methods 1949. Polyconic projection. 1927 North American datum 10,000-foot grid based on North Dakota coordinate system, north zone. 1000-meter Universal Transverse Mercator grid, zone 14. To place on the predicted North American Datum 1983, move the projection lines 4 meters north and 29 meters east as shown by dashed corner ticks. Revisions shown in purple compiled from aerial photographs taken 1982 and other sources. This information not field checked. Map edited 1986.
