

Red tint indicates areas in which only landmark buildings are shown. To place on the predicted North American Datum 1983, move the projection lines 4 meters north and 24 meters east as shown by dashed corner ticks. There may be private inholdings within the boundaries of the National or State reconstructions shown on this map.

ROAD CLASSIFICATION

Heavy-duty		Light-duty	
Medium-duty		Unimproved dirt	
	U. S. Route		State Route
	Interstate Route
