

Maped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs taken 1958. Field checked 1961.
Polyconic projection. 1927 North American datum. 10,000-foot grid based on New Mexico coordinate system, central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.
Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is uncheckered.
Area covered by dashed light-blue pattern is subject to controlled inundation to 4450 feet.
To place on the predicted North American Datum 1983 move the projection lines 4 meters south and 53 meters east as shown by dashed corner ticks.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.
