

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial photographs  
taken 1973. Field checked 1975. Map edited 1981  
Projection and 10,000-foot grid ticks: New Mexico  
coordinate system, east zone (transverse Mercator)  
1000-meter Universal Transverse Mercator grid, zone 13  
1927 North American datum  
To place on the predicted North American Datum 1983  
move the projection lines 4 meters south and  
49 meters east as shown by dashed corner ticks  
Fine red dashed lines indicate selected fence lines

ROAD CLASSIFICATION

|                                 |   |
|---------------------------------|---|
| Primary highway, hard surface   | Light duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| Interstate Route                | U. S. Route                               |
|                                 | State Route                               |
