

Produced by the United States Geological Survey 1965
Revision by USDA Forest Service 1999
Topography compiled 1964. Planimetry derived from imagery taken 1996 and other sources. Public Land Survey System and survey control current as of 2000
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software
Non-National Forest System lands within the National Forest
Inholdings may exist in other National or State reservations
This map is not a legal land line or ownership document. Public lands are subject to change and leasing, and may have access restrictions; check with local offices. Obtain permission before entering private land.
