

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS  
Topography from aerial photographs by multiplex methods  
Aerial photographs taken December 1945. Field check, 1950  
Polyconic projection. 1927 North American Datum  
10,000-foot grid based on New Mexico coordinate system,  
west zone  
Red tint indicates area in which only  
landmark buildings are shown  
1000-meter Universal Transverse Mercator grid ticks,  
zone 12, shown in blue  
To place on the predicted North American Datum 1983  
move the projection lines 6 meters south and  
56 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries  
of the National or State reservations shown on this map
