Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1963

Polyconic projection. 1927 North American datum. 10,000-foot grid based on New Mexico coordinate system, west zone. 1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue.

Fine red dashed lines indicate selected fence lines.

To place on the predicted North American Datum 1983 move the projection lines 7 meters south and 56 meters east as shown by dashed corner ticks.

Revisions shown in purple compiled from aerial photographs taken 1978 and other source data. This information not field checked. Map edited 1980.
