

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial photographs taken 1976. Field checked 1978. Map edited 1984  
Projection and 10,000-foot grid ticks: New Mexico coordinate system, central zone (transverse Mercator) 1000-meter Universal Transverse Mercator grid, zone 13 1927 North American Datum  
To place on the predicted North American Datum 1983 move the projection lines 51 meter east as shown by dashed corner ticks  
Areas covered by dashed light-blue pattern are subject to controlled inundation  
Where omitted, land lines have not been established  
There may be private inholdings within the boundaries of the National or State reservations shown on this map

ROAD CLASSIFICATION

|                                 |   |
|---------------------------------|---|
| Primary highway, hard surface   | Light duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| Interstate Route                | U. S. Route                               |
|                                 | State Route                               |
