

Mapped, edited, and published by the Geological Survey
Control by USGS and USCGS
Topography from 1:24,000 scale maps of the South Garcia and South Garcia SE 7.5 minute quadrangles, surveyed 1954, and from aerial photographs by multiplex methods and by planetable surveys 1956. Aerial photographs taken 1951.
Polyconic projection: 1927 North American datum
10,000-foot grid based on New Mexico coordinate system, west and central zones.
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.
Dashed land lines indicate approximate locations
Unchecked elevations are shown in brown
To place on the predicted North American Datum 1983 move the projection lines 1 meter south and 53 meters east
