

Maped, edited, and published by the Geological Survey  
 Control by USGS and USC&GS

Topography from aerial photographs by multiple methods and from 1:24,000 scale maps of the Torreon and Capilla Peak 7.5 minute quadrangles, surveyed in 1954. Aerial photographs taken 1951. Field check 1954.

Polyconic projection. 1927 North American datum. 10,000-foot grid based on New Mexico coordinate system, central and west zones.

Dashed land lines indicate approximate locations. Land lines are omitted in T. 5 N., R. 5 E. and T. 6 N., R. 5 E. because of insufficient data. Offsets shown between T. 4 N., R. 6 and 7 E. are based on cultural developments and are not reflected in the land surveys of 1883 and 1908.

1000-metre Universal Transverse Mercator grid ticks, zone 13, shown in blue.
