Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA and U.S. Forest Service

Topography by photogrammetric methods from aerial photographs taken 1974. Field checked 1975
Map edited 1980

Projection and 10,000-foot grid ticks: Nevada coordinate system, west zone (transverse Mercator)
1000-meter Universal Transverse Mercator grid, zone 11
1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 16 meters north and 87 meters east as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Where omitted, land lines have not been established or are not shown because of insufficient data
