

Produced by the United States Geological Survey

Control by USGS and NOS/NOAA

Compiled by photogrammetric methods from aerial photographs taken 1974. Field checked 1977. Map edited 1981

Projection and 1000-meter grid, zone 11, Universal Transverse Mercator

10,000-foot grid ticks based on Nevada coordinate system, east zone. 1927 North American Datum

To place on the predicted North American Datum 1983 move the projection lines 10 meters north and 73 meters east as shown by dashed corner ticks

Certain land lines have been omitted because of insufficient data

There may be private inholdings within the boundaries of the National or State reservations shown on this map
