

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial photographs taken 1966. Field checked 1969  
Polyconic projection. 1927 North American Datum  
10,000-foot grid based on Nevada coordinate system, central zone  
1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue  
To place on the predicted North American Datum 1983 move the projection lines 13 meters north and 80 meters east as shown by dashed corner ticks  
Where omitted, land lines have not been established or are not shown because of insufficient data  
Map photinspected 1980  
No major culture or drainage changes observed

ROAD CLASSIFICATION  
Light-duty road, all weather, improved surface  
Unimproved road, fair or dry weather
