Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1964

Polyconic projection. 1927 North American datum 10,000-foot grids based on Nevada coordinate system, west zone and California coordinate system, zone 1

1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue

To place on the predicted North American datum 1983, move the projection lines 15 meters north and 87 meters east as shown by dashed corner ticks

Where omitted, land lines have not been established

Fine red dashed lines indicate selected fence lines
