

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs
taken 1955 and 1956. Field checked 1956
Polyconic projection. 10,000-foot grid ticks based on New York
coordinate system, east zone. 1000-meter Universal Transverse
Mercator grid ticks, zone 18, shown in blue. 1927 North
American Datum. To place on the predicted North American
Datum 1983 move the projection lines 6 meters south and
36 meters west as shown by dashed corner ticks
Fine red dashed lines indicate selected fence and field lines
visible on aerial photographs. This information is unchecked
There may be private inholdings within the boundaries of
the National or State reservations shown on this map
