Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, USCE, and New Jersey Geodetic Survey

Topography by photogrammetric methods from aerial photographs taken 1964 and 1965. Field checked 1967
Supersedes map dated 1957

Selected hydrographic data compiled from USC&GS Charts 282 (1965) and 748 (1966). This information is not intended for navigational purposes

Polyconic projection. 1927 North American datum
10,000-foot grids based on New York coordinate system, east zone, and New Jersey coordinate system
1000-meter Universal Transverse Mercator grid ticks, zone 18, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Red tint indicates areas in which only landmark buildings are shown
