

Produced by the United States Geological Survey
Topography compiled 1960. Planimetry derived from imagery taken 1967 and 1976. Photomaps used imagery dated 1994; no major culture or drainage changes observed. Survey control current as of 1961. Boundaries, other than corporate, verified 1957. North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: Ohio coordinate system, north zone (Lambert conformal conic). 1000-meter Universal Transverse Mercator grid, zone 17. North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software. Area north of the Geographers Line and the Greenville Treaty Line lies within Congress Lands north of Old Seven Ranges. Land lines based on the Ohio River base. Area south of the Geographers Line and the Greenville Treaty Line lies within the United States Military District. Land lines based on the Base Line of the United States Military District. There may be private inholdings within the boundaries of the National or State reservations shown on this map. Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours. Areas covered by dashed light-blue pattern are subject to controlled inundation.
