

Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1959. Field checked 1961

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Ohio coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue.

Area south of Greenville Treaty Line lies within the United States Military District. Land lines based on the Base-Line of the United States Military District. Area north of the Greenville Treaty Line lies within Congress Lands. Land lines based on the First Principal Meridian.

Areas covered by dashed light-blue pattern are subject to controlled inundation. Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.
