

Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1970. Field checked 1971

Polyconic projection. 1927 North American datum 10,000-foot grid based on Oklahoma coordinate system, south zone 1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

To place on the predicted North American Datum 1983, move the projection lines 6 meters south and 22 meters east as shown by dashed corner ticks

Map photoinspected 1977

No major culture or drainage changes observed

| ROAD CLASSIFICATION | |
|---------------------------------|-------------------------------------------|
| Primary highway, hard surface | Light-duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road |
| Interstate Route | U.S. Route |
| | State Route |
