

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS  
Topography by photogrammetric methods from aerial  
photographs taken 1965. Field checked 1969  
Polyconic projection. 1927 North American datum  
10,000-foot grid based on Oklahoma coordinate system, north zone  
1000-meter Universal Transverse Mercator grid ticks,  
zone 14, shown in blue  
Areas covered by dashed light-blue pattern  
are subject to controlled inundation  
Fine red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs. This information is unchecked  
To place on the predicted North American Datum 1983  
move the projection lines 1 meter south and  
30 meters east as shown by dashed corner ticks
