

Produced by the United States Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs taken 1958. Revised from aerial photographs taken 1984. Field checked 1987. Map edited 1989.
Projection and 10,000-foot grid ticks: Oklahoma coordinate system, north zone (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid, zone 14
1927 North American Datum
To place on the predicted North American Datum 1983, move the projection lines 2 meters south and 35 meters east as shown by dashed corner ticks.
There may be private inholdings within the boundaries of the National or State reservations shown on this map.
Areas covered by dashed light-blue pattern are subject to controlled inundation.
Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.
