

Produced by the United States Geological Survey 1990  
Revision within and adjacent to National Forest System lands  
by USDA Forest Service 1998

Topography compiled 1984. Planimetry derived from imagery taken 1994  
and other sources. Public Land Survey System and survey control current as  
of 1998

North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks:  
Oregon coordinate system, north zone (Lambert conformal conic)  
Blue 1000-meter Universal Transverse Mercator ticks, zone 11

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks  
The values of the shift between NAD 27 and NAD 83 for 7.5-minute  
intersections are obtainable from National Geodetic Survey NADCON software

Non-National Forest System lands within the National Forest  
Inholdings may exist in other National or State reservations

This map is not a legal land line or ownership document. Public lands are  
subject to change and leasing, and may have access restrictions; check  
with local offices. Obtain permission before entering private lands
