

Produced by the United States Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial  
photographs taken 1958. Field checked 1962  
Polyconic projection. 1927 North American Datum  
10,000-foot grid ticks based on Oregon coordinate system,  
zone 11, shown in blue  
To place on the predicted North American Datum 1983,  
move the projection lines 19 meters north and  
95 meters east as shown by dashed corner ticks  
There may be private inholdings within the boundaries of  
the National or State reservations shown on this map  
Red tint indicates areas in which only landmark buildings are shown  
Purple tint indicates extension of urban areas

ROAD CLASSIFICATION  
Heavy-duty — Light duty  
Medium-duty — Unimproved dirt  
Interstate Route U.S. Route State Route
