

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS  
Topography by photogrammetric methods from aerial photographs taken 1969. Field checked 1971  
Projection: North Carolina coordinate system (Lambert conformal conic) 10,000-foot grids based on South Carolina coordinate system, north zone, and North Carolina coordinate system  
1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue. 1927 North American datum. The difference between 1927 North American Datum and North American Datum of 1983 (NAD 83) for 7.5-minute intersections is given in USGS Bulletin 1875. The NAD 83 is shown by dashed corner ticks  
Map photoinspected 1983  
No major culture or drainage changes observed  
Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
