

Mapped, edited, and published by the Geological Survey
Control by USGS and U. S. Forest Service
Topography by photogrammetric methods from aerial photographs taken 1956. Field checked 1959
Polyconic projection. 10,000-foot grid based on South Carolina coordinate system, north zone. 1000-meter Universal Transverse Mercator grid-ticks, zone 17, shown in blue. 1927 North American Datum To place on the predicted North American Datum 1983 move the projection lines 9 meters south and 12 meters west as shown by dashed corner ticks
Fine red dashed lines indicate fence and field lines where generally visible on aerial photographs. This information is unchecked
Unchecked elevations are shown in brown
There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from aerial photographs taken 1977 and other source data
This information not field checked. Map edited 1980
