Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1962

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Texas coordinate system, north central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.

Fine red dashed lines indicate selected fence lines.

To place on the predicted North American Datum 1983, move the projection lines 5 meters south and 41 meters east as shown by dashed corner ticks.

Revisions shown in purple compiled from aerial photographs taken 1979. Map edited 1981. This information not field checked.
