

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial photographs taken 1968. Field checked 1969  
Polyconic projection. 1927 North American datum 10,000-foot grids based on Texas coordinate system, north central zone and New Mexico coordinate system, east zone  
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue  
Fine red dashed lines indicate selected fence lines  
Revisions shown in purple compiled from aerial photographs taken 1977 and other source data. This information not field checked. Map edited 1979

To place on the predicted North American Datum 1983 move the projection lines 10 meters south and 43 meters east as shown by dashed corner ticks
