

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1958. Field checked 1958

Polyconic projection. 1927 North American Datum

10,000-foot grid ticks based on Texas coordinate system, central zone

1000-meter Universal Transverse Mercator grid ticks zone 14, shown in blue

To place on the predicted North American Datum 1983

move the projection lines 18 meters south and 24 meters east as shown by dashed corner ticks

Red tint indicates area in which only landmark buildings are shown

Revisions shown in purple and woodland compiled from aerial photographs taken 1981 and other sources. This information not field checked. Map edited 1989. Purple tint indicates extension of urban area

SCALE 1:24,000
