

Mapped, edited, and published by the Geological Survey
 Control by USGS and NOS/NOAA

Culture and drainage in part compiled from aerial photographs taken 1953. Topography from 1:31 650 scale map of the Santa Rosa 7.5 minute quadrangle surveyed 1929, and from 1:24 000 scale mapping by the Texas Reclamation Department 1937, revised by planetable surveys 1956

Polyconic projection. 1927 North American datum 10,000-foot grid based on Texas coordinate system, south zone 1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue

Revisions shown in purple compiled from aerial photographs taken 1980 and other source data. This information not field checked. Map edited 1982

To place on the predicted North American Datum 1983 move the projection lines 33 meters south and 27 meters east as shown by dashed corner ticks
