Control by USGS and NOS/NOAA

Planimetry by photogrammetric methods from aerial photographs taken 1954. Topography by planimetric surveys 1956

Polygonic projection, 10,000-foot grid ticks based on Texas coordinate system, north central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 7 meters south and 31 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Area covered by dashed light-purple pattern is subject to controlled inundation to 926 feet

Revisions shown in purple and woodland compiled from aerial photographs taken 1973 and other sources. This information not field checked. Map edited 1981

Purple tint indicates extension of urban areas
