Produced by the United States Geological Survey

Topography compiled 1987. Planimetry derived from imagery taken 1995. Survey control current as of 1990

Selected hydrographic data compiled from NOS/NOAA Charts 11322 and 11324 (1990). This information is not intended for navigational purposes

North American Datum of 1983 (NAD 83). Projection and 1000-meter grid: Universal Transverse Mercator, zone 15
10 000-foot ticks: Texas Coordinate System of 1983 (south central zone)

North American Datum of 1927 (NAD 27) is shown by dashed corner ticks. The values of the shift between NAD 83 and NAD 27 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

This quadrangle covers a subsidence area

Landmark buildings verified 1990
