

This is a detailed topographic map of the Snake River Valley in Idaho. The map features the Snake River winding through the valley, with numerous contour lines indicating elevation. Key geographical features include the Tintic Mountains to the north and the Beaver Mountains to the south. Several towns are marked, including Lemington, Diamond City, Silver City, and Holden. The map also shows the Central Railroad and various smaller creeks and lakes. The title 'Snake River Valley' is prominently displayed at the top.
