Topography by photogrammetric methods from aerial photographs taken 1967. Field checked 1967

Polyconic projection. 10,000-foot grid ticks based on Virginia coordinate system, south zone. 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 11 meters south and 24 meters west as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

There may be private inholdings within the boundaries of the National or State reservations shown on this map
