

Prepared under the direction of the Chief of Engineers by the Corps of Engineers, U. S. Army Map Service (AMS), Washington, D. C. Copied in 1946 from Virginia, 1:31,680, AMS, Berryville, 1943. Original map compiled by photogrammetric (multiple) methods by Soil Conservation Service, Aerial Photography 1942. Horizontal and vertical control by USGS and Soil Conservation Service. This map complies with the national standard map accuracy requirements. Map field checked. Scale changed and marginal data revised, 1946. Reprinted in 1949 with revision of marginal data and addition of Universal Transverse Mercator Grid.

LEGEND
