Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial photographs  
taken 1952 and planetable surveys 1954.  
Revised from aerial photographs taken 1972. Field checked 1973  
Projection and 10,000-foot grid ticks: Washington coordinate  
system, north zone (Lambert conformal conic)  
1000-meter Universal Transverse Mercator grid ticks,  
zone 11, shown in blue. 1927 North American datum  
Fine red dashed lines indicate selected fence and field lines  
To place on the predicted North American Datum 1983,  
move the projection lines 16 meters north and  
80 meters east as shown by dashed corner ticks  
There may be private inholdings within the boundaries of  
the National or State reservations shown on this map
