Mapped, edited, and published by the Geological Survey
 Control by USGS, USC&GS, and USCE
 Topography from aerial photographs by ER-55 plotter
 Aerial photographs taken 1955. Field check 1957
 Canadian topography copied from topographic map
 of the River Jordan quadrangle surveyed 1937-1938
 Canadian Department of Lands and Forests
 Hydrography compiled from USC&GS hydrographic surveys (1931)
 Polyconic projection. 1927 North American datum
 10,000-foot grid based on Washington coordinate system, north zone
 1000-meter Universal Transverse Mercator grid ticks,
 zone 10, shown in blue
 Dashed land lines indicate approximate locations
 Unchecked elevations are shown in brown
