

Mapped, edited, and published by the Geological Survey

Control by USGS and USCGS
Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1947. Field check 1958
Polyconic projection. 1927 North American datum
10,000-foot grids based on West Virginia coordinate system,
north zone, and Maryland coordinate system
1000-meter Universal Transverse Mercator grid ticks,
zone 17, shown in blue
Fine red dashed lines indicate selected fence and field lines
visible on aerial photographs. This information is unchecked
Unchecked elevations are shown in brown
Revisions shown in purple compiled from aerial photographs
taken 1974. This information not field checked

To place on the predicted North American Datum 1983,
move the projection lines 6 meters south and
23 meters west as shown by dashed corner ticks

ROAD CLASSIFICATION

Heavy-duty	Light-duty
Medium-duty	Unimproved dirt
U.S. Route	State Route
