GEOLOGICAL SURVEY

1974

Produced by the United States Geological Survey

Compiled from USGS 1:24 000-scale topographic maps dated 1971-1972. Map edited 1974

1927 North American Datum (NAD 27). Projection and 10 000-meter grid: Universal Transverse Mercator, zone 13 50 000-foot ticks: Wyoming coordinate system, east zone

The difference between NAD 27 and North American Datum of 1983 (NAD 83) is too small to show at this scale. The values of the shift between the datums for 7.5-minute intersections are given in USGS Bulletin 1875

There may be private inholdings within the boundaries of the National or State reservations shown on this map
