Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin Control by USGS and NOS/NOAA

Topography from aerial photographs by multiplex methods Aerial photographs taken 1949. Field checked 1952

Polyconic projection. 1927 North American Datum 10,000-foot grid based on Wyoming coordinate system, west central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue

The difference between 1927 North American Datum and North American Datum of 1983 (NAD 83) for 7.5 minute intersections is given in USGS Bulletin 1875. The NAD 83 is shown by dashed corner ticks

Dashed land lines indicate approximate locations
