

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs taken 1965. Field checked 1966.

Polyconic projection. 1927 North American datum
10,000-foot grids based on Wyoming coordinate system,
west central and east central zones
1000-meter Universal Transverse Mercator grid ticks,
zone 13, shown in blue

Fine red dashed lines indicate selected fence lines

To place on the predicted North American Datum 1983,
move the projection lines 8 meters north and
52 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs
taken 1980 and other source data. This information not
field checked. Map edited 1981

UTM GRID AND 1981 MAGNETIC NORTH
DECLINATION AT CENTER OF SHEET
