

Maped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1963. Field checked 1964

Polyconic projection, 1927 North American datum
10,000-foot grid based on Wyoming coordinate system,
east central zone
1000-meter Universal Transverse Mercator grid ticks,
zone 13, shown in blue

Fine red dashed lines indicate selected fence lines
Land lines are omitted because of insufficient data
To place on the predicted North American Datum 1983
move the projection lines 8 meters north and
51 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of
the National or State reservations shown on this map
