

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USC&GS. Topography from aerial photographs by photogrammetric methods. Aerial photographs taken 1953. Field check 1957. Polyconic projection. 1927 North American Datum. 10,000-foot grid based on Wyoming coordinate system, west central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue. Dashed land lines indicate approximate locations. Land lines unsurveyed in T. 47 and 48 N. R. 105 W. and in parts of T. 49 N. R. 104 and 105 W. Land lines omitted in T. 47 N. R. 104 W. because of insufficient data. To place on the predicted North American Datum 1983 move the projection lines 9 meters north and 56 meters east. There may be private inholdings within the boundaries of the National or State reservations shown on this map.

CONTOUR INTERVAL 80 FEET
